

Dear Friends of Musica Antigua,

Sadly, our long-time colleague, David Nelson, passed away in December after a brave battle with cancer. Many of the instruments he used in our performances were his personal property, and his family is now putting this large collection up for sale at their assessed value.

The family has generously offered to hold certain pieces for us to purchase, but neither our group nor individual funds are adequate to cover their cost. In order to continue to offer the musical variety we have in the past, we need your help!

Your tax-deductible, charitable contribution will allow Musica Antigua to add these instruments to its permanent collection. If you cannot afford the entire purchase price of an instrument, a one-time donation **or** a pledge (to be paid in increments of your choice through December 31, 2011) would also be deeply appreciated.

Our wish list includes:

- Vihuela (renaissance Spanish guitar) \$1100
- Psaltery (medieval plucked instrument) \$1000
- Hurdy Gurdy (medieval drone-type instrument) \$300
- Small harp \$800
- OR
- Larger harp \$1800
- Lute \$1100

This is our only chance to acquire some or all of these instruments. We are a non-profit corporation, so your gift is tax-deductible. All donors will be perpetually listed in our programs and on our web site. Unfortunately we have no means for taking credit cards; however we will shortly be setting up a PayPal account at our web site, [www.MusicaAntiguaToledo.org](http://www.MusicaAntiguaToledo.org). Please make checks out to **Musica Antigua de Toledo**.

We thank you in advance for any help you are able to give us in this venture.
